### **JOB OBJECTIVE**

Utilize my prior work experience and my formal education at The Ohio State University to work as a landscape specialist with an emphasis in residential and commercial landscape maintenance and management.

### **PROFESSIONAL EXPERIENCE**

- 2008 to 2010    Crew Leader**  
**Eastside Landscaping and Snowplowing, South Euclid, Ohio**
- In charge of a two man crew for bed maintenance.
  - Planting of annuals and perennials, maintenance of equipment.
  - Keeping track of man hours and motivating workers.
  - Responsible for the over care of the garden, fertilization, trimming of plant materials, utilizing good acceptable horticultural practices and snowplowing during winter.
- 2007 to 2007    Landscape Technician**  
**Your Gardener and Company, Inc Chardon, Ohio**
- Maintained private estate and four other small accounts.
  - Installed small water ponds.
  - Knowledge of various power tools and mowers.
- 2005 to 2007    Mayhew Scholar**  
**The Ohio State University, Columbus, Ohio**
- Work with volunteers, staff, and faculty to maintain all areas of Chadwick Arboretum.
  - Managing the maintenance, watering, pruning, fertilizing, pest control, and culture of plant material within assigned areas.
  - Mowing of main gardens and other areas.
  - Lead Mayhew's on assigned projects.
  - Motivate other Mayhew's to become good horticulturists.
  - Conduct tours of Learning Gardens and Chadwick Arboretum.
  - Lead, prepared and planted new site for Adrian Bloom Garden.
- 2004 to 2005    Research Assistant**  
**Soybean Breeding Lab**  
**The Ohio State University, Columbus, Ohio**
- Took weight and moisture content measurements and collected data for analysis from the 2004 crop.
  - Worked independently to organize the details of various research projects to prepare for the planting of the 2005 crop.
