Dear Members, Friends & Neighbors,

Well, the end is near...for me anyway. My term is about up as President, but one of the last things I would like to see happen IS FOR EVERYONE TO ATTEND THIS YEAR'S FIELD DAY AT RUSTY OAK NURSERY, especially since this is where our 'Annual meeting and changing of the Board' will occur. During the lunch period (around noon), just outside the Field Day lunch tent, we will conduct our business meeting where the new Board will be presented along with this year's Honorarium and 'Out-Standing-In-The-Field' awards. Please plan to show your support for the Association and to see Rusty Oak Nursery. They have worked hard for all of us to make sure this year's Field Day is a memorable one! They have added a fishing contest, a skeet shoot and an attendee drawing of \$500!

Attached is the attendee flyer that can simply be emailed on to your customers and vendors. Word of mouth is the greatest form of advertising (in my opinion) so pass the Field Day information on every time you talk to someone. Just think of how many people would be reached each day if we all did this?!?!)

And one more item...CONGRATULATIONS TO OUR LONG TIME MEMBER, FAIRVIEW EVERGREEN NURSERIES in Erie, PA on their 100th anniversary! The day after Field Day there is an HRI golf outing being held in conjunction with Fairview's celebration and HRI has extended a discount rate for the event (see the attached registration form).

Don't worry; this isn't the last time that you'll hear from me...

Thank you for your attention and have a great rest of this hot week!

Carol Lyons,
President, NGLCO
